

MAY 25 1984

Free State Reporting, Inc.
Attn: Ms. Barbara J. Becker
99 Cathedral Street
Annapolis, MD 21401

Dear Ms. Becker:

Subject: Post-Award Conference, Contract No. NRC-17-84-327

Confirming the May 22, 1984 telephone conversation between Mr. Dave Becker, Free State Reporting, and Ms. Teresa McLearn, NRC, a post-award conference has been scheduled to be held May 30, 1984 at 10:00 a.m., at the U. S. Nuclear Regulatory Commission (NRC), 1717 H Street, N.W., Washington, DC, Room 1118. Areas of the contract which will be discussed at the conference are listed in Enclosure 1. It is not necessary that they be discussed in the order shown and there will be no objections to modifying the order to fit your company's preferred interest.

Planned Government participants will be from the technical (program office) and contract areas of NRC. It should be pointed out that the conference is not being held for the purpose of changing the contract. The primary purpose of the conference is to ensure that there is a clear and mutual understanding of the scope of the contract between the Government and the contractor. If it becomes apparent during the conference that a contract change is necessary, it will be reduced to writing and a modification issued in the form of a change order or supplemental agreement. If you have any questions regarding the post-award conference, please contact Ms. McLearn at 492-7533.

Sincerely,

Timothy F. Hagan
Contracting Officer
