Ms. Angela Chu, Project Manager
Standardization and Special Projects Branch
United States Nuclear Regulatory Commission
Division of Licenses
Washington, D. C. 20555

Subject: Change in Reactor
Administrator Position
Manhattan College, Docket 50-199

Dear Ms. Chu:

Effective July 1, 1985, I will no longer be Reactor Administrator for Manhattan College and will no longer be involved with the Nuclear Facility. Please make all appropriate changes in mailing lists and license activities by deleting my name and replacing with the name of the new Reactor Administrator:

Dr. Robert E. Berlin
Reactor Administrator
Manhattan College Zero Power Reactor
c/o Mechanical Engineering Department
Manhattan College
Riverdale, New York 10471

Very truly yours,

Ronald S. Kane
