Dear Mr. Pelizza:

I wish to confirm a meeting requested by you, to be held at our office, 10:00 a.m., February 10, 1993. The meeting will provide you an opportunity to brief us on the status of updating the Church Rock - Crownpoint environmental report. We consider this will be a general exchange of information, and no substantive decisions related to licensing will be made.

In light of our interagency review in progress, other preparers of the draft Environmental Impact Statement will be informed of the meeting. If you have any questions or comments regarding these matters, please contact Joel Grimm at your convenience.

Sincerely,

for Ramon E. Hall
Director
