Dear Ms. Mathews:

This is in response to your letter dated January 10, 1985, (#85010PR00007), in which you requested, pursuant to the Freedom of Information Act (FOIA), an update of the information previously provided to you with our letter dated March 28, 1984, (FOIA-83-784). You requested new information for the period January 1984 through December 1984. Specifically, you asked that we provide you with one nine-track, non-labeled, 1600 BPI tape containing fields identifying "lots of goods" with the identical numbers used in your firm's previous FOIA request concerning uranium shipment transactions for natural and enriched uranium of less than six weight percent for licensees and licensed contractors. You also asked that we include one computer printout of the tape.

We are enclosing the requested printout of the tape. The computer tape has been sent to you directly from Oak Ridge.

The charges incurred in filling your order are as follows:

Computer Tape:	\$12.50
Computer Tape Printout	\$49.35
Computer Time:	\$95.39
TOTAL:	\$157.24

You will be billed by the NRC's Division of Accounting and Finance for the amount of \$157.24.

Sincerely,
