Dear Sirs:

RE: NRC Bulletin 90-02

Saint Francis Hospital and Medical Center (byproduct materials license no. 06-00854-08) does not possess one of the affected models of teletherapy units listed in bulletin 90-02. Saint Francis Hospital and Medical Center possesses an AECL Theratron 780. Based on this Saint Francis Hospital and Medical Center is exempt from any additional reporting requirements of bulletin 92-02.

Sincerely,

Gary L. Marolt, Ph.D.  
Radiation Safety Officer
