Re: Sealed Line Source for TransACT System
Your Letter, Dated August 7, 1996

Dear Ms. Burgess:

Robert Popilock, Nuclear Medicine Product Manager, requested that I write to you on his behalf. We received the above-referenced letter requesting further information on 7 August 1996. We immediately forwarded this request to the manufacturer of the TransACT, our parent company Elscint Ltd., in Israel.

We respectfully request an extension of 60 days within which to respond, i.e., until 7 October 1996. Thank you for your cooperation and attention to this matter.

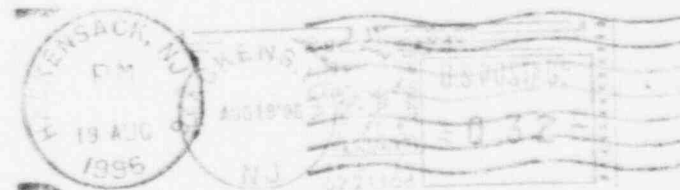

Very truly yours,

Kathleen A. Murray
