Mr. Jason L. Rath
105 Brigade Drive
Yorktown, Virginia 23692

Dear Mr. Rath:

Thank you for your application dated November 30, 1992, for the position of Nuclear Safety Attache, U.S. Mission to International Organizations, Vienna, Austria.

An extensive nationwide search is being conducted to find the most qualified individual who would, as Nuclear safety Attache, provide strong leadership in carrying out the responsibilities of the position. You can be assured that a careful and thorough review of your qualifications and those of other candidates is being conducted, and that you will be contacted if more information is needed.

We appreciate your interest in employment with the Nuclear Regulatory Commission.

Sincerely,

A handwritten signature in cursive script, reading "Carolyn J. Swanson", is written over the typed name.
