Gentlemen:

This acknowledges receipt of your letter dated February 1, 1993 (ML-93-005) informing us of CE's intent to change the date for submitting a Decommissioning Plan from December 30, 1992, to March 30, 1993.

As Dr. Sean Soong of my staff discussed with your Mr. J. Conant on February 9, 1993, we expect the following to be addressed in your Plan: decontamination of the wooded areas, Building 3, the industrial stream which receives the liquid discharge from Building 6, drain lines from Building 5, and the Building 6 hold tanks.

Your cooperation in keeping us informed of changes is appreciated.

Sincerely,
