The purpose of this modification is to change the number of graphic cards noted in Section B - Schedule of Supplies from 2 to 3 cards. The change is required because 2 cards were noted in the schedule instead of the 3 cards proposed under Aydin's quotation number 95-0639 dated August 24, 1995. Accordingly, the following change is made.

The graphic card line under item number 22 in the schedule is deleted entirely and replaced with the following:

"(3) Dual Channel Accelerated Graphics Cards (each card with 16 MB RAM)"

All other terms and conditions of the contract remain unchanged including the ceiling amount of the contract, which is \$274,438.00.

A summary of NRC obligations for this contract, from award date through the date of this action, is given below:

Total FY 1995	Obligation Amount \$127,262.00
Total FY 1996	Obligation Amount \$147,176.00

Cumulative total of NRC Obligations \$274,438.00

This modification does not obligate any additional funds.
