

February 5, 1993

EG&G Idaho, Incorporated
765 Lindsay Blvd.
Idaho Falls, Idaho 83415-2406

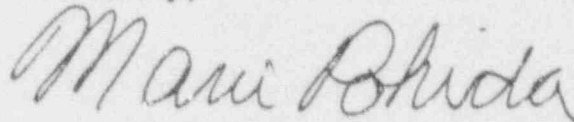

Dear Dr. Phil Ellison:

Enclosed are the remaining round zero Requests For Additional Information (RAI) responses for the round zero RAIs that we submitted to Westinghouse last fall. This remaining list of RAI responses was received from Westinghouse January 14, 1993 and January 22, 1993.

Also enclosed are the responses to the RAIs related to the AP600 PRA upload onto IRRAS. This information is considered to be proprietary and should not be released to any person not directly involved in the review of the Westinghouse AP600 PRA. The enclosed disc contains some data files related to Westinghouse's RAI responses. The enclosed disc also contains proprietary information and should not be released to any person not directly involved in the review of the Westinghouse AP600 PRA.

Should you have any questions, please contact me at (301)-504-1846.

Sincerely,

Marie Pohida
Risk and Reliability Analyst
Probabilistic Safety Assessment Branch
