Gentlemen:

We request that the Presbyterian Medical Center of the University of Pennsylvania Health System's NRC license 37-00168-06 be terminated effective on the issuance of the pending modification of the University Of Pennsylvania's license 37-00118-07 to include our facility under their license. This request has been approved by the Radiation Safety Committee of UPHS/Presbyterian Medical Center.

All radioactive material on hand and all waste disposal and effluent release records will be transferred to the University of Pennsylvania upon issuance of the amendment. All responsibility for the radiation safety program at Presbyterian will also transfer to the University at that time.
