Dear Dr. Kotthoff:

Attached are copies of INEL-95/0035, "Emergency Diesel Generator Power System Reliability 1987-1993," AEOD/S96-01 (INEL-95/0478), "Isolation Condenser System Reliability, 1987-1993," and INEL-94/0158, "High-Pressure Coolant Injection (HPCI) System Performance, 1987-1993 Final" prepared under the direction of the Office for Analysis and Evaluation of Operational Data.

As I indicated to you last week in Paris, we are doing studies like this for a number of risk-significant systems.

Sincerely,

original signed by
