

AF43-2

PDR (31)

June 11, 1996

Mark -

Attached is a marked copy of the draft that you sent. The major comments are:
1) a block of text related to the latest change is supposed to go in the discussion section, but it appears in the middle of the text of 2.201, 2) the Regulatory Analysis has not been modified to reflect that additional change [please do so], and 3) the information collection material is incorrect.

I have not submitted it to my management, as it is not in condition to do so.

I will be here through this Thursday afternoon, 13 June; and out of the office from then until 1 July.

Geoff
