RE: NRC BULLETIN 92-02
License #: 34-00774-07

Gentlemen:

Mount Carmel Medical Center has one Cobalt teletherapy unit. It is an AECL Model #T-780, Serial #137. This unit is currently being used for clinical irradiation therapy. It is my understanding that we are therefore exempt from any additional reporting requirements from NRC Bulletin 92-02.

Sincerely,

C. David Schloss, M.D.
Radiation Safety Officer
