FOIA-92-575
Rec'd 12-1-92

Dear Mr. Grimsley:

Fiscal Planning Services, Inc. (FPSi) is a management information service and consulting firm specializing in impact analysis of the federal budget for federal, state, and local government agencies, public-interest organizations, and the Congress.

Under the Freedom of Information Act, FPSi is requesting data on final grant awards to Texas state agencies for federal fiscal years 1990, 1991, and 1992 for the Enhance Technology Transfer and Dissemination of Nuclear Energy Process and Safety Information (CFDA# 77.003) program. For this program, I am specifically requesting information concerning recipient agencies and final dollar amounts (obligations) awarded to those agencies for the above mentioned fiscal years. The request is limited to state agencies in Texas only. (This includes Texas State colleges, universities and hospitals.) Grants received by other entities in the state, such as local governments, or nonprofit organizations, are not relevant.

Thank you for attending to my request. Your assistance is greatly appreciated.

Sincerely,

M. Sean McGoldrick
