Dear Sir:

RE: Administration changes for UNM AGN-201M Reactor,
Facility License R-102

We are making an change in the administrative personnel responsible for the supervision of our Nuclear Reactor. This change is necessitated by the retirement from the University by Professor Glenn A. Whan, effective June 30, 1985. His replacement as Chairman of the Department and as Reactor Administrator is Professor Frank L. Williams, a citizen of the US.

The new administrative structure, effective July 1, 1985, follows:

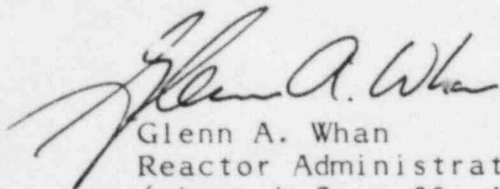

Gerald W. May, Dean, College of Engineering

Frank L. Williams, Chairman, Chemical and Nuclear
Engineering and Reactor Administrator

David M. Woodall, Chief Reactor Supervisor.

Please revise your records accordingly. Thank you.

Sincerely,

Glenn A. Whan
Reactor Administrator
(through June 30, 1985)

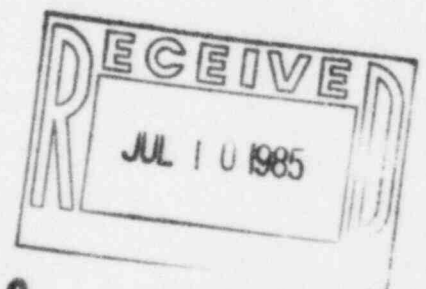

David M. Woodall
Chief Reactor Supervisor

Frank L. Williams
Reactor Administrator
(effective July 1, 1985)

Gerald W. May
Dean, College of Engineering
