Docket No. 030-31890

Dear Ms. Reuther:

SUBJECT: NOTICE OF VIOLATION DATED OCTOBER 8, 1992

This acknowledges receipt of your letters dated November 2, 16, and December 9, 1992, in response to our letter dated October 8, 1992, requesting additional information regarding your response to the Notice of Violation.

We have reviewed your corrective actions, which appear to be adequate. During a discussion between you and B. J. Holt of my staff on Friday, January 29, 1993, we learned that you began specialized training for authorized users the week of January 11, 1993, in accordance with your letter of December 9, 1992. It is our understanding that one of the training sessions to be conducted within the next two months will address survey and decontamination procedures and the significance of employing both efficiently when warranted. If your understanding is different from the above, please inform Ms. Holt. We will examine your corrective actions during a future inspection.

Sincerely,
