Dear Dr. Araj:

You wanted reports discussing the comparison of code predictions with experimental data. At this time, I can refer you to several sources:

- | | |
|------------------------------|--------------------------------|
| 1. TRAPMELT Code | Marviken Reports |
| 2. Containment Aerosol Codes | ABCOVE Aerosol Code Validation |

Previously, I sent you the Marviken reports. Enclosed is the ABCOVE report.

Note that these reports discuss applied technology. This information is not to be printed without authorization. You will also find summaries of aerosol experiments as listed in Enclosure 1 and Enclosure 2. Where indicated, the summaries are applied technology.

Sincerely,
