Re: Renewal or Licence No. 52-19193-01
Category E

Gentlemen:

We are including the proper fee (\$170.00) and the NRC form 313 for renewal of the reference license to use sealed sources in portable gauging devices. Our license expires on May 31, 1985, copy of which is enclosed.

We appreciate the attention you give to this matter.

Cordially yours,

Fernando Corchado, President
