3M Submissions to NRC dated February 8, 1980, and
April 18, 1980.

Dear Mr. Cook:

This letter is in response to our telephone conversation of yesterday, during which you requested permission for agency use of the schematic diagram for the model 6711 I-125 Seed, which is included in our February 8, 1980, license amendment application. Enclosed with this letter please find a schematic diagram of the I-125 Seed model 6711, which I agreed to provide.

If you have additional questions, please feel free to contact me (612/733-6421).

Sincerely yours,

Jacquelyn D. Bush
