

APPENDIX A

NOTICE OF VIOLATION

Isomedix, Inc.
Parsippany, New Jersey 07054
License No. 29-15364-01

Based upon the results of an NRC inspection conducted on October 22, 1975, it appears that one of your activities was not conducted in full compliance with the conditions of your license as indicated below:

Contrary to Condition 13(c) of your license, you failed to report as required the results of your leak test taken on your cesium-137 sealed sources on March 19, 1975. These tests, which showed activity in excess of 0.05 microcuries, were taken from an appropriate accessible surface of the device in which 146 sealed sources were stored and the results of the tests were not reported within 5 days to the Directorate of Licensing (now the Division of Materials and Fuel Cycle Facility Licensing).

This item is an infraction.
