

Longview Inspection

October 08, 1996

John P. Jankovich, Section Chief
United States Nuclear Regulatory Commission
Transportation and Storage Inspection Section
Spent Fuel Project Office, NMSS
Washington, D. C. 20555-0001

Dear Mr. Jankovich,

I wish to submit this letter, requesting that the following change be made to our Quality Assurance Program, Number 0771, Revision Number, 0.

Please change our address as follows:

Longview Inspection-
Advanced technology Group, Inc.
101 Underwood Road
Building J
La Porte, TX. 77571

I have enclosed a check for the \$250.00, that is required for this address change. I am very grateful, the United States Postal Service, does not require this type of fee for a change of address. The majority of individuals could not afford to move.

If you should have any questions regarding this request, please call me at 713 / 471-7500.

Best Regards,

Lloyd A. Gray
Corporate Radiation Safety Director
