

February 25, 1985

MEMORANDUM FOR: Thomas A. Rehm, Assistant for Operations, Office of the  
Executive Director for Operations

FROM: James G. Keppler, Regional Administrator, Region III

SUBJECT: TRANSMITTAL OF ALLEGATION FOLLOWUP INFORMATION FOR GAP

Per the EDO's policy concerning communication with the Government Accountability Project (GAP), I am sending you a copy of an inspection report to be transmitted to GAP. This report, which addresses allegations furnished by GAP, is being sent in accordance with the policy on notifying alleged of the results of NRC followup on their allegations. Included with the inspection report is a draft letter of transmittal.

Should you have any questions please contact Charles Weil, Region III's Allegation Coordinator (FTS 388-5535).

DRAFT

Government Accountability Project;

ATTN: Ms. Billie Garde

Director of Citizens Clinic

and

Ms. Michelle Varicchio

Staff Assistant

1555 Connecticut Ave., NW

Washington, DC 20036

Dear Ms. Garde and Ms. Varricchio:

On September 28, 1984, you furnished the Nuclear Regulatory Commission with information indicating possible deficiencies in the construction of the Union Electric Company's Callaway Nuclear Plant. The Nuclear Regulatory Commission processed your information as a request for action under 10 CFR 2.206 and as allegations. The review of the 10 CFR 2.206 request for action is still under review. However, the Region III Office has completed the inspection of the allegations and their inspection report reviewing the majority of the allegations is enclosed for your information. In addition to Region III's inspection, several allegations were forwarded to the Office of Investigations.

DRAFT

Thank you for bringing this information to the attention of the Nuclear  
Regulatory Commission.

Sincerely,

Thomas A. Rehm  
Assistant for Operations,  
Office of the Executive  
Director for Operations

Enclosure: Inspection Report  
No. 50-461/84-45 (DRP)
