SUBJECT: Proposed Significant Hazards Finding for  
Vermont Yankee Operating License Amendment

To Whom It May Concern:

On February 22, 1993, I filed with your office the New England Coalition on Nuclear Pollution's Comments In Opposition to Proposed Finding of No Significant Hazards Consideration. NECNP's comments were accompanied by the unsigned affidavit of Robert D. Pollard, who was out of town at the time. Mr. Pollard has returned and I am now enclosing the executed original of his affidavit.

In addition, paragraph 5 of Mr. Pollard's affidavit has been corrected to restore parts of the fourth and fifth sentences that were inadvertently omitted from the copy that was filed on February 22.

Thank you for your consideration.

Sincerely,

  
Diane Curran
