Gentlemen:

Thank you for your letter dated September 6, 1974, informing us of the steps you have taken to correct the violations which we brought to your attention in our letter dated August 15, 1974. While your letter states that you have filed an application for an appropriate amendment to achieve corrective action for the violation designated as A.1 in our August 15, 1974, letter, it should be understood that no activity is in accord with AEC regulatory requirements unless and until it is specifically authorized in an AEC license. Steps should be taken to assure that AEC licensed materials are hereafter possessed and used only as authorized by your license. We will examine these matters during our next inspection.

Your cooperation with us is appreciated.

Sincerely yours,
