MEMORANDUM TO: William T. Russell, Director
Office of Nuclear Reactor Regulation

FROM: David B. Matthews, Chair (Original Signed By)
Vogtle Coordinating Group

SUBJECT: VOGTLE COORDINATING GROUP EVALUATION OF GEORGIA POWER
COMPANY'S RESPONSE TO NOTICE OF VIOLATION AND DEMANDS FOR
INFORMATION

The Vogtle Coordinating Group (Group) has completed its evaluation of the licensee and individual responses to the Notice of Violation and Demands for Information issued to Georgia Power Company on May 9, 1994. The Group conducted its evaluation in response to the memorandum from J. Milhoan to you and J. Fitzgerald, OI, dated August 4, 1994 requesting that the Group "expeditiously review, analyze and formulate a position on the adequacy of GPC's response and recommend a position on the proposed enforcement action in light of GPC's response."

The Group's report is enclosed. Sections II.D, III.B and III.H of the report contain recommendations based on the GPC and individual responses.
