rec'd 03/08/85

Dear Mr. Felton:

Pursuant to the Freedom of Information Act I am making a request for copies of all reports for the 1983, 1984, and 1985 years on the status of utility <sup>OR NRC</sup> requalification programs. I understand these reports are in the nature of audits by NRC of utility requalification programs and that they are transmitted to the commission as SECY papers.

I am also requesting that fees for this request be waived because of McGraw-Hill's status as a credentialed news organization.

Sincerely,

*Christine Hudgins*
