Dr. Bruce S. Mallett, Ph.D. Chief
Materials Licensing Section
United States
Nuclear Regulatory Commission
Region III
799 Roosevelt Road
Glen Ellyn, Illinois 60137

Dear Dr. Mallett:

We have disposed of the special nuclear material covered by the license cited above. We no longer possess or have need for such special nuclear material and therefore we withdraw the license renewal request of 29 September 1983 and request that the license SNM-915 be terminated.

Sincerely yours,
