Gentlemen:

We hereby request the renewal of License Number 12-10988-01, issued by the Nuclear Regulatory Commission covering the operations currently in effect at the Missouri Portland Cement Company, Joppa, Illinois Plant. We will continue operating under the documents submitted:

May 17, 1979 - Application for Byproduct Material License (Industrial)

January 21, 1983 - Letter for amendment

The program submitted is accurate and up-to-date except for Mr. Bill Harris whom is no longer employed with Missouri Portland Cement Company. Don Smith is the Radiation Protection Officer. In the future, William Sacharnoski may receive the formal training and become the Radiation Protection Officer. If this occurs additional documents will be submitted at the appropriate time.

If additional information is necessary please feel free to call.

Very truly yours,

*William Sacharnoski*
