U.S. Nuclear Regulatory Commission  
Sealed Source Safety Section  
Division of Industrial and Medical Nuclear Safety  
Washington, D.C. 20555

Subject: Request For Amendment To License 04-1488<sup>6</sup>01E

Dear Mr. Baggett:

Please find attached the application for amendment of our NRC license # 04-1488<sup>6</sup>01E. This amendment covers the Hochiki AIE-EA ionization type smoke detector. If you have any questions regarding this submittal please feel free to contact myself or Gyo Shinozaki.

Thank you for your cooperation in this matter.

Sincerely,

Loren L. Leimer
