Dear Mr. Boyer:

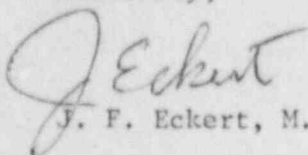

I would like to request the name of Douglas Lane be added to Sioux Valley Hospital license number 22-02451-01 as a user. (48-10251-01)

We would like to delete Drs. R. G. Fortier, L. M. Hammer and G. F. Leago.

Dr. Lane has submitted his nuclear experience by biography under license number 22-18634-01.

Mr. James L. Lynch, Radiation Specialist on our recent review by the Nuclear Regulatory Commission requested that we make a statement on our license that area survey wipe test will be monitored with a Geiger-Mueller Survey instrument since a well counter is not available.

Sincerely,

J. F. Eckert, M.D.
