SUBJECT:

Request for Renewal of License 24-16281-01.

DATE: January 23rd, 1985

Dear Dr Mallett:

I enclose a request for renewal of our license and a check in the amount of one-hundred-fifty dollars as the fee for that renewal.

We have elected to take the simplified approach to renewal. In our submission we address only those items of our license which we wish to have changed.

Dr Ardath Emmons has reviewed our existent license and our procedures prior to preparation of this renewal request. If you have any questions about this submission, or our Nuclear Medicine program, please contact Dr Emmons at 314-875-9411.

Sincerely,

David Finkel
Executive Director
