dated March 12, 1985 (LIC-85-055)
(4) Letter NRC (W. O. Miller) to OPPD (R. L. Andrews)
dated June 19, 1985

Dear Mr. Miller:

Application Fee, Clarification of
Inservice Inspection Relief

The Omaha Public Power District recently received Reference (2) regarding an application fee pursuant to 10 CFR 170. The District's application (Reference (3)) requesting clarification of inservice inspection relief related to reactor vessel-to-nozzle welds did not contain the required application fee. The District subsequently received Reference (4) requesting this fee within 15 days from receipt of letter. Accordingly, please find attached a check for \$150.00 for the application fee.

Sincerely,

R. L. Andrews
