Dear Ms. Jackson,

I would like to inform you that the Prime Minister of the Republic of Bulgaria has appointed me as Chairman of the Committee on the Use of Atomic Energy for Peaceful Purposes since August 22, 1996.

The technical assistance provided by the U.S. Nuclear Regulatory Commission to Bulgaria in the field of nuclear and radiation safety as well as training of the Bulgarian nuclear inspectors in your Commission is extremely important for us.

I believe that your assistance and the fruitful co-operation established between Nuclear Regulatory Commission and the Committee on the Use of Atomic Energy for Peaceful Purposes will continue successfully. I hope that there will be possibility in the near future to meet you so that our personal contacts would contribute to further development of this co-operation.

Yours sincerely,
