Dear Madam:

This is a request to amend our NRC License No. 24-16281-01 to the effect that Columbia Regional Hospital will limit the sharing agreement with Boone Hospital Center (NRC License No. 24-01565-01) to radioactive materials belonging to Groups I through V with the exclusion of Group VI materials. In compliance with the restrictions imposed by NRC regulations and NRC licenses, Group VI materials are to be transferred only from the Regional Radiation Therapy Center, Columbia, Missouri.

Sincerely,

David Finkel
