IN RESPONSE REFER
TO FOIA-85-161

Dear Ms. Stephens:

This is in further response to your letter dated March 1, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of four categories of records regarding the Wolf Creek Nuclear Generating Plant.

The documents identified on enclosed Appendix G are being placed in the NRC Public Document Room (PDR) located at 1717 H Street, NW, Washington DC 20555, in file folder FOIA-85-161.

The review of additional documents that are subject to your request is continuing. We will notify you upon completion of the review.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules and Records
Office of Administration

FREEDOM OF INFORMATION ACT REQUEST

FOIA-85-161

rec'd 3/8/85

To Whom It May concern:

Pursuant to the Freedom of Information Act, U.S.C. 522, as amended, the Nuclear Awareness Network requests the following documents regarding the Wolf Creek Nuclear Generating Plant. Please consider "documents" to include reports, studies, test results, correspondence, memoranda, meeting notes, meeting minutes, working papers, graphs, charts, diagrams, notes and summaries of conversations and interviews, computer records, and any other forms of written communication, including internal NRC staff memoranda. The documents are specifically requested from, but not limited to, the following offices of the NRC: Office of Analysis and Evaluation of Operational Data (AEOD); Office of Nuclear Reactor Research (NRR); Office of Nuclear Regulatory Research (Research); Office of Inspection and Enforcement (I&E); Office of Investigations (OI); Generic Issues Branch of the Division of Safety Technology, and the Operating Reactors Branches of the Division of Licensing.

In your response, please identify which documents correspond to which requests below.

Pursuant to this request, please provide all documents prepared or utilized by, in the possession of, or routed through the NRC related to the Wolf Creek Nuclear Generating Plant:

1. Any and all NRC documents relating to the Quality First cases, allegations, investigations.
2. Any and all information on instances of intimidation and/or harassment of any workers at the plant.
3. Any and all documents between the Commission and all other NRC offices particularly about, but not limited to, issues which the Commission is allowing to be investigated and inspected.
4. Any and all documents generated within or as a result of the February 28, 1985 Commission briefing relating to the structural steel welding problem, licensing, and any other areas, by NRR or any other branches.

~~85-7200312~~

If any of the material covered by this request has been destroyed and/or removed, please provide all surrounding documentation, including but not limited to a description of the action(s) taken, relevant date(s), and justification(s) for the actions.

For any documents or portions that you deny due to a specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of the document withheld. This index is required under Vaughn v. Rosen (I), 484 F.2d 820 (D.C. Cir. 1973), cert. denied, 415 U.S. 977 (1974).

We look forward to your response to this request within ten days.

Sincerely,

A handwritten signature in cursive script that reads "Stevi Stephens". The signature is written in dark ink and is positioned above the printed name.
