re: (SP-96-093) Unauthorized Use of RAM  
date: September 25, 1996  
pages: 1, including this cover sheet

OFFICE  
DOCK

(As per Aubrey V. Godwin)

The draft final rule has been reviewed and the following comments are provided.

1. The final draft of SP-96-093 does not appear to be necessary.
2. If the rule is published, compatibility ought to be that states need not adopt to be compatible.
