Mr. Dale R. Smith, Director
Uranium Recovery Field Office
Region IV
Box 25325
Denver, CO 80225

Dear Mr. Smith:

I would like to take this opportunity, on behalf of Energy Fuels and myself, to express our thanks for the work you and your staff did on assisting us in the successful decommissioning of the Hanksville Ore Buying Station. We especially appreciated the cooperation and extra effort extended by Ed Hawkins and Randy Brich.

It has been very rewarding for Energy Fuels, and I would think also the NRC, to see a facility go through the full circle, from licensing through operations and ultimately to decommissioning.

Again, we appreciate the job done by you and your staff and look forward to future projects.

Very truly yours,

Harold R. Roberts
Senior Project Engineer
