Dear Mr. Felton,

Thank you for the provision of some of the materials I requested in my letters of December 20, 1984 and January 4, 1985. I am still awaiting access to tapes of conversations between TMI and the NRC Operations Center approximately 10:00 a.m. March 28, 1979.

There is an additional document that I request under FOIA - a report entitled "Neutron Activation Analysis". Kindly reproduce and send copy to the above address.

Sincerely yours,
