License No. 21-14161-01C ✓  
License No. 21-14161-02

Gentlemen:

This refers to the inspection conducted by Mr. J. A. Finn of this office on August 22, 1978, of the potential overexposure reported by letter dated July 25, 1978, pursuant to 10 CFR 20.405.

The inspection was an examination of activities conducted under your license as they relate to the reported overexposure to a film badge. The inspection included a review of your evaluation and especially of your conclusion that the exposure was to the film badge and the TLD ring only and did not represent an exposure to an individual.

We have no further questions on this matter.

No items of noncompliance were identified during the course of this inspection.

We will gladly discuss any questions you have concerning this inspection.

Sincerely,

J. A. Pagliaro, Chief  
Materials Radiological  
Protection Section No. 2
