RE: License #24-16178-01

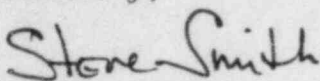

Gentlemen:

The Liberty Memorial Hospital recently received a notice informing us that our radioactive materials license was due to expire. Enclosed is a complete renewal application.

The Liberty Memorial Hospital is a city-funded hospital and has not paid a renewal-amendment fee in the past. For this reason a renewal fee check is not enclosed.

If you have any questions concerning the renewal request, please do not hesitate to call.

Sincerely,

Steve Smith, Director
Radiology Services
