Attention: Mr. Joseph Felton
Director

Dear Mr. Felton:

Under the Freedom of Information Act, I am requesting the following information in regards to U.S. licensed irradiation sources:

- 1) isotope type
- 2) location and owner
- 3) Currie content

My specific interest is in cobalt 60 sources of sufficient size (50,000 curries or greater) for irradiation of materials and food stuffs. This information is being gathered for marketing evaluation purposes, it will not be used for patented infringement or violation of proprietary confidences.

Thank you for your time and effort.

Sincerely,

LONDON NUCLEAR SERVICES, INC.
