IN RESPONSE REFER
TO FOIA-85-366

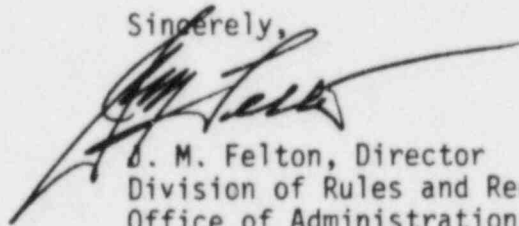

Dear Mr. Luka:

This letter responds to your May 13, 1985, letter in which you requested, pursuant to the Freedom of Information Act, the (1) isotope type, (2) location and owner, and (3) Curie content for U. S. licensed irradiation sources.

Enclosed is a computer printout of the names and addresses of those licensed by the NRC to have irradiation sources. The NRC has no record that combines with this listing of location and owner the isotope type and Curie content you requested.

The charge for the computer time to produce this listing is \$14.03. You will be billed for this amount by the NRC's Division of Accounting and Finance.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
