**FREEDOM OF INFORMATION  
ACT REQUEST**

**FOIA-85-406**  
**rec'd 6/4/85**

Dear Mr. Felton:

I am making a freedom-of-information request for the NRC's FY 85 "Information Collection Budget". I only need "Section 2B - New Collections" but feel free to send the entire document if that is easier for you. I believe Mrs. Brenda Shelton of the NRC Paperwork Reduction Section on 492-8132 can easily provide this material. OMB has ruled that the document can be released. Since the NRC's Section 2B should be only a few pages, I doubt there will be any charge. Also, since the document is readily available and requires only that a few pages be photocopied, I would assume this request can be fulfilled in a few days. As the document has considerable time value to me, I would appreciate a speedy reply. If you have any questions or cannot fill this request immediately, please call me at 892-4873. Otherwise, please send the document to me at the address in the letterhead.

Sincerely,

*Richard A. Gould*
