The Cleveland Clinic Foundation
9500 Euclid Avenue
Cleveland, OH 44195

SUBJECT: PREDECISIONAL ENFORCEMENT CONFERENCE
(NRC INSPECTION REPORT NO. 030-02649/96001(DNMS)
AND INVESTIGATION REPORT NO. 3-96-025)

Dear Dr. Loop:

This refers to the telephone conversation on October 8, 1996, between Ms. Judy McKenna and Ms. B. J. Holt of my staff regarding arrangements for a transcribed predecisional enforcement conference. This conference, which was originally scheduled for October 8, 1996, has been rescheduled for Tuesday, October 22, 1996, at 9:00 a.m. (CDT) in the NRC Region III Office, 801 Warrenville Road, Lisle, Illinois. As described in our letter dated September 16, 1996, during the conference, your staff will be afforded the opportunity to discuss the apparent violations identified during the NRC inspection and investigation, their causes and safety significance, and proposed or implemented corrective actions. This is also an opportunity for your staff to discuss any errors in the inspection report, and to provide information concerning the Clinic's perspectives on the severity of the apparent violations and any other application of the NRC Enforcement Policy to this case. You may direct any questions you have regarding the predecisional enforcement conference to either B. J. Holt (630/829-9836) or Michael LaFranzo (630/829-9865) of my staff.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter will be placed in the NRC Public Document Room.

Sincerely,

Cynthia D. Pederson, Director
Division of Nuclear Materials Safety
