Gentlemen:

Enclosed is AEC Source Material License No. SUC-628, as renewed.

With regard to your question concerning the disposal of uranium by burial, enclosed is a copy of 10 CFR Part 20. As provided by Section 20.304 of Part 20, three hundred and thirty (330) pounds of natural uranium may be buried at any one time under specified conditions without specific AEC approval. At such time as you have properly disposed of your licensed material, we will be happy to consider a request for license termination.

Please let me know if you have any questions concerning the above.

Very truly yours,
