Re: In Bankruptcy - Miller Associates, Engineers, Planners & Surveyors, Inc.  
Case No. 96-20430-C

Dear Sir:

At your request by phone call Friday, September 20th, 1996, this is notification of the bankruptcy of Miller Associates, Engineers, Planners & Surveyors, Inc.. An Involuntary Petition was filed in this case.

For your record I am enclosing a copy of the Involuntary Petition and a copy of the Order wherein this firm was adjudicated a bankrupt.

I went to the office of Miller Associates today to met with Gene Hinshaw (whom you know of) today, September 23rd, 1996. Upon arrival I found Mr. Robert Hays of your Commission waiting for a representative of Boone County Bank. This was a fortunate occasions (our original plans was to go to the Miller Office at 11:00 am) as we were there for the same reasons.

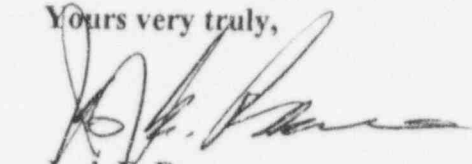

Gene Hinshaw brought with him one of the nuclear gauges. We then went to the Kemper Storage Units located just west of Miller's offices and gained entry to the Miller Storage unit. We located the second nuclear guage. This was taken back to the Miller Office and both gauges were stored in a room there. The offices are under lock & key and the only two keys are in possession of myself and Ed Vaught of the Boone County Bank. Your person (Robert Hays) was along and witnessed all of this.

You will have to be notified later of the disposition of the two gauges. I understand that the two options are: to sell the gauges to parties presently hold licenses from your Commission or to return them to the manufacture. I understand that abandonment of the two units is not an option.

Yours very truly,

**ORDER**

Now on this 16th day of May 1996, the Involuntary Petition filed herein by Boone County National Bank and others against Miller Associates, Engineers, Planners & Surveyors, Inc., comes on for hearing. The Court finds that the Involuntary Petition was filed in this Court on April 22, 1996, and that counsel for the Petitioners has served the Involuntary Petition and has given notice to the Debtor and its counsel of this hearing, as required by the Bankruptcy Rules, more than 20 days prior to this hearing. The Debtor has not filed any response in this Court and no one appears on behalf of the Debtor. Therefore, the Debtor is in default. On the basis of the pleadings and the statements of counsel for the Petitioners, the Court finds that the Debtor is insolvent as defined in the Bankruptcy Code and that it would be proper to adjudicate the Debtor bankrupt and enter an order for relief under Chapter 7 of the Bankruptcy Code. Therefore, it is

ORDERED that Miller Associates, Engineers, Planners & Surveyors, Inc., be and is hereby adjudicated bankrupt and an order for relief is entered pursuant to Chapter 7 of the Bankruptcy Code. Debtor is hereby directed to file its Chapter 7 schedules and statements of affairs within 15 days of the date of this Order. Counsel for Petitioners is hereby directed to serve a copy of this Order on the Debtor and Debtor's counsel by facsimile and by first class mail immediately.

SO ORDERED this 16th day of May 1996.

FRANK W. KOGER, JUDGE
