IN RESPONSE REFER
TO FOIA-85-281

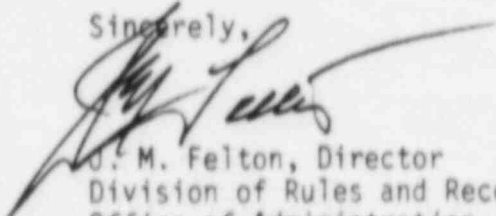

Dear Mr. Gambs:

This is in response to your letter dated March 30, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), copies of the results of concrete cylinder tests and concrete test borings which were made during and subsequent to the construction of the Shoreham plant.

The two documents identified on enclosed Appendix A are being placed in the NRC Public Document Room (PDR) located at 1717 H Street, NW, Washington, DC 20555, in file folder FOIA-85-281 in your name.

The Shoreham inspection reports, identified on enclosed Appendix B, are already in the PDR. I have indicated the PDR Fiche address beside each inspection report number. There is no charge for inspecting records maintained at the PDR. We are enclosing a copy of a notice that provides charges and procedures for obtaining copies of records from the PDR.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
