SUMMARY

Mr Fajt didn't realize that we would terminate his license in order to be added to IML's license. He was under the impression that they could keep their license (in suspended mode) and be added to IML's

He requested that we wait until he discuss action with other involved hospital. I advised him that we need a response within 30 days

June 11, 1985 (9:30 am) Mr Fajt OK'd termination of their license as outlined in ltr dated 04/19/85.
