

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

October 17, 1996

AF37-1

MEMORANDUM FOR: NUDOCs

FROM: Duane G. Kidd
Assistant to the Director
Division of Security

A handwritten signature in dark ink, appearing to read "Duane G. Kidd".

SUBJECT: REGULATORY HISTORY PROCEDURES - ACCESS TO AND PROTECTION
OF CLASSIFIED INFORMATION

In accordance with the April 5, 1985 memorandum from the EDO entitled, "Regulatory History Procedures," I am forwarding the documents relevant to the regulatory history of the proposed rule conforming NRC industrial security requirements to new National Security Executive Orders and Directives (10 CFR Parts 25 and 95 [61FR40555]). The documents are identified in attachment one and are enclosed with the attachment.

Attachment: As stated
